### STANNAH 229 SERVICE EXCHANGE CABLE DRUM ASSEMBLY

**36C002 8.0 Mtrs can be purchased**

or return your old drum and get  
it for service exchange price

Do not send switches.  
Drum must be in good condition.

Fully refurbished Stannah 229 trailing cable drum with 6 months warranty.

New outer cable and new inner cable.  
Brass rings and brushes cleaned or replaced.  
New terminals fitted.  
Drum is spring tensioned ready for installation.  
Save time and money and provide a quality repair that lasts.

This item may be purchased either outright, or on an exchange basis as follows:

#### Exchange Basis

Pay service exchange price when we receive your old drum we will send you the exchange.

Please do not send the switches, but include the metal backplate with the drum. We need the backplate in order to pre-tension the springs ready for re-assembly. The old drum must be in good condition to be acceptable for service exchange. We recommend sending the drum by secure post (tracked or signed for)

Outright purchase with option to return the old unit:

If you return the old unit to us within one month of purchase then we will credit you the difference from the service exchange price.

**PLEASE NOTE WE WILL CHARGE YOU THE FULL AMOUNT, IF YOU DO NOT RETURN THE OLD DRUM WITHIN ONE MONTH**
